From the Desk of your President

Happy weekend everyone! The 4th of July is right around the corner which means time is flying by too fast. I hope when you are here, you are taking it all in. I sat by the Pine boat dock yesterday and just looked around. I felt completely at peace. This place does that for me, still after all these years. I never take it for granted. Our beautiful lake now has three fountains. Come down and take a look at night with the lights on, it's magical. Our garden has been completed and we just picked our first round of peppers! Please see the insert in the paper for more information. We are currently working on an additional picnic area for all to enjoy, stay tuned! The DCA is coming the first week of July, please make sure your sites are clean and numbered. July 1st is our 4th of July. We will have a parade in the morning, followed by our annual meeting on the Bear Cave deck. If you don't go to any other meetings, this is the one you should come to. The recreation committee is always looking for help with decorating for our parade so please find one of us if you would like to volunteer. There will be a sign-up sheet on Facebook. With so many sites being sold and so many new families here, we are jam packed on the weekends. Please follow all rules to ensure the safety of our community. SLOW DOWN. STOP AT STOP SIGNS. No place you are rushing to is more important than the safety of our moms' pushing carriages, our grandparents taking a walk, our little brother riding his bike, our little sister pushing her doll stroller. We have been very lucky, please let's keep it that way. Have a great weekend, be a good neighbor!

GREAT SCOTT'S

Welcome back Great Scott's. It's with a heavy heart that I tell you what most of you have already heard. We lost Donna and Marion over the winter.

Marion was a part of Great Scott's for many years. She was a sweet lady and a good friend to all of us. Always there to lend a hand in whatever I asked her to do. She will be missed.

Donna spent many years at Tall Timbers. She first raised her children and then her grandchild Matthew, who she was so proud of.

Donna was my sidekick at Great Scott's. She collected dues, kept membership up to date and we spent countless hours shopping for bargains to save money for the Great Scott's. I considered her a valued friend and will miss her terribly.

I am sorry but I have decided to just take a breath for this season. I will pick up Great Scott's again next season. That being said I am planning a pizza party for last years paid members and I will be calling you with the information, of course I will be planning a CASINO trip this year. I am in the campground and always available for a chat, lunch or just a cup of coffee.

Have a Wonderful Season

Madam Prez

OAK VILLAGE

Hello Oak Village!

Summer is officially underway here at Tall Timbers. Swimming, fishing, basketball, pickleball – there is something for everyone. With all of the great activities and fun to be had, please remember to keep the noise at a decent level, especially when playing music. It should not be so loud that others can hear it, even during the day. The quiet hours are from 11:00pm until 8:00am.

This past weekend was our nominations and election of village officers for the 2023 – 2025 season. Below are the new board members:

Our Lower Common Area will be closed off – no one will be allowed to sit on the field as in years past to watch the show.

Remember, the annual DCA inspection will take place on July 6th. Please make sure your sites are cleaned up, leaves and weeds removed, clear and visible signage of your site number IS A MUST. Let's make sure that Oak Village does not receive any violations.

Our next village meeting will be held on Saturday, July 15th at 10:00am in the lounge at the old Admin Bldg. Hope to see you there and hear firsthand what is taking place within Oak Village.

PINE VILLAGE

Hello Pine Neighbors,

Thank you all who came to our village meeting last Saturday June 17th and to all who cast and participated in our elections. We had a great turn out and we encourage everyone to get involved so we hope to see you at our next meeting which will be held on July 16th at 9:00 AM. Welcome to our new owner in Pine... Pine 29 Julio Rodriguez

The Pine Board Members are as follows:

We are also pleased to announce that Pine 10 (last empty site) was sold and, we want to welcome our new neighbors to Pine Village.

Don't forget our Annual Tall Timbers Board meeting will be held July 1st at the Bear Cave after the annual parade. If you plan to participate on the parade, please gather by Oak's bathhouse so we can carry our village banner and represent our village. We hope to see you there!

Our Annual 4th of July party with DJ Eddie starts at 8:00 PM and fireworks will start shortly after 9:00 PM (rain day will be July 2nd for fireworks). Please remember that the main roads will be closed by Vernon police and fire departments a few hours prior to the show. Also, don't forget to check our community garden by the upper pool, maybe you get lucky and harvest some produce.

I hope and wish everyone and their families a Safe and Happy 4th of July.

SYCAMORE VILLAGE

Hello Sycamore Villagers!

Summer is finally here and our 2023 season is officially underway! So far we have had some pretty spectacular weather. Be sure to check the sign at the main entrance when you come in to see if campfires are permitted. It's always a good idea to keep your garden hose nearby while sitting around the campfire in case of an emergency. Don't forget to wear your blue bracelets when using any of our amenities. The holiday weekend is sure to be very busy. Remind your guests to be mindful of cleaning up after themselves when using the bathhouse and to close the doors tightly behind them when exiting the bathrooms and laundry room.

Welcome to all of our new Sycamore families! We look forward to meeting you! Please attend our village meeting this Saturday, June 24th at 10:00 a.m. We will be holding our second nominations at this meeting. It's important to come and meet your nominees. Ballots were emailed and mailed out with return envelopes. Email us at SycVillage@gmail.com if you need another copy. Remember you are entitled to one vote per site. Please return the ballots to the office or to your Board Of Directors at the meeting. The final votes can be cast in person and tallied at the July 1st meeting at 9:00 a.m. Following our village meeting we will assemble in front of the Oak bathhouse beginning at 10:30 a.m. We will then march behind our Sycamore Village banner to the Bear Cave where there will be the annual Executive Board meeting followed by refreshments. The big highlight of the weekend will of course be the fireworks at the lake followed by a night filled with music and dancing! Remember that fireworks are NOT to be set off at your site. It is very dangerous. All it takes is one little spark to start a forest fire.

Lastly, the DCA inspection will be the first week in July. Please be sure to clear your site of unsightly debris as well as leaves, weeds, long extension cords, standing water, old propane tanks, and tarps to avoid getting a violation. Also be sure to have your site number clearly visible near the road so that an emergency vehicle can find your site if need be. If you are on a corner it is a good idea to have the site number posted on both sides of the property. Most of all, have a fun and safe Fourth of July weekend and be respectful of your neighbors at all times. We all just want to enjoy our little slice of heaven!!

See you at the beach,

Your Sycamore Board of Directors

Meeting dates: June 24, July 1, July 29, Aug. 26, Sept. 23.

Propane Information

OTHER FACTORS THAT MIGHT DISQUALIFY A TANK REFILL

An expired tank isn't the only reason your tank might not be eligible to be refilled. Propane tanks need to have a device on them called an OPD, or Overfill Protection Device. When a tank is being filled with propane, these devices automatically shut off the valve when the tanks reach a certain capacity. If your tank doesn't have an OPD, we aren't able to fill that tank. Another factor which might cause a tank to be disqualified from being refilled is its general condition. If your tank has visible rust or damage anywhere on it, it could be unsafe to fill it and therefore would be disqualified from receiving a refill.

RECERTIFIED TANKS

Tanks that are past their normal expiration date can be re-certified by someone who is trained to do so. If the inspector deems the tank's condition to be usable, they will put a sticker on the tank with an "E" after the manufacturing date. This "E" adds another 5 years to the life of the tank.

TALL TIMBERS PROPANE TANKS FOR PURCHASE

If you have a tank that has expired, for your convenience Tall Timbers sells new 100# and 20# tanks. We will remove your expired tank and make sure that it is properly disposed of!

Propane Costs for new 100# and 20# tanks, and the fill are:

100#	\$210 (+ tax)	Propane Fill	\$110.00
20#	\$70 (+ tax)	Propane Fill	\$22.00

PLEASE BE AWARE, IF YOU PLACE AN ORDER FOR A 100# PROPANE REFILL, AND THE TANK IS NOT EMPTY OR IF IT IS EXPIRED, THERE WILL BE A \$25.00 ADMINISTRATIVE FEE ASSESSED TO YOUR ACCOUNT. IF YOU PAY WITH A CREDIT CARD, THE 2% FEE CANNOT BE RETURNED

Expired tanks CANNOT be filled! Any tank that is older than 12 years of age (for 2022 that means tanks made before the same month of 2010) is expired and cannot be refilled.

How To Check Your Tank's Expiration

Every tank of propane has a date stamped into the collar along the top of the tank. There are some important numbers and letters here that mark:

- • Serial Number
- • Water Content (WC)
- • Tare Weight (TW)

Manufacturing Date

The date is shown in MM-YY format, so to know if your tank is expired just subtract 12 from the second number. If your stamp is not more recent than the current month 12 years ago, your tank is **expired**.

The date is shown in MM-YY format, so to know if your tank is expired just subtract 12 from the second number. If your stamp is not more recent than the current month 12 years ago, your tank is expired.

Remember, expired tanks will NOT be filled

GENERAL INFORMATION

PLEASE DO NOT FEED THE WILDLIFE

There are bears in the campgrounds all the time. This is their home. They look for food and have been spotted climbing into our dumpsters and bringing out food garbage bags. We do our best to deter them but these bears have become accustomed to humans. If you put your food garbage in the dumpster instead of the compactor, they will drag it out and make a huge mess. Besides the aesthetics, it can become a health hazard! It also takes our Maintenance Crew away from other important jobs. **ANY KIND OF FOOD GARBAGE MUST GO INTO THE COMPACTOR!!** If the bears find food in the dumpster, they will continue to go there & make a mess of your campground. Please do your part and put your trash in the right place. **Be considerate!** Your Maintenance Department will have to pick up after the bears...and you! Help us keep your Tall Timbers clean!

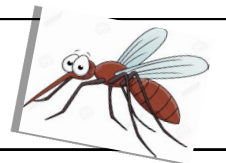

“One Call System”

When a One Call notification goes out, please listen before calling the office. Immediately calling the office defeats the purpose of the system and inundates the office with unnecessary calls.

Remember, Tall Timbers is a ‘smoke-free’ campground. No smoking is permitted on common property.
