OAK VILLAGE

Hello Oak Village!

The weather has sure been up and down, right? So much rain, but it has not dampened our spirit at all. Still lots to do for the remainder of the summer so make sure you get a copy of the Calendar of Events from the main office. Trivia Night, Corn Hole and Bocci tournaments are coming up in the next few weeks, just to name a few. And don't forget, the Sussex County Fair begins this coming Friday, August 4th. Check out their website for details, they are offering a "sensory friendly time" for anyone who is sensitive to loud noises and bright lights. www.sussexcountyfairgrounds.com

If anyone is interested in purchasing "a TTPOA Brick", please fill out the form at the office. They need a minimum order to submit to the vendor. Some bricks have already been installed down by the lower pool, take a look at them and see what you wish to say on yours.

Big shout outs and congratulations to Bailey, Quinn, and Evan Martin (Oak 108), Adam Torres (Oak 66) and Liam Todd (Oak 67) for winning trophies at this past weekend's Water Olympics. Great job everyone!

We want to welcome another new owner here in our little village, Miguel Rivera (Oak 19). We are looking forward to meeting you, hopefully at our next meeting ☺

And speaking of meetings ... our next village meeting will be held on Saturday, August 19th at 10:00am at the small meeting room in the old Admin Bldg. Please make every effort to attend and find out what is going on in the village. We are always looking for folks to volunteer, as there is lots to do, and we can always use the help.

See you around the campground!

Propane Information

OTHER FACTORS THAT MIGHT DISQUALIFY A TANK REFILL

An expired tank isn't the only reason your tank might not be eligible to be refilled. Propane tanks need to have a device on them called an OPD, or Overfill Protection Device. When a tank is being filled with propane, these devices automatically shut off the valve when the tanks reach a certain capacity. If your tank doesn't have an OPD, we aren't able to fill that tank. Another factor which might cause a tank to be disqualified from being refilled is its general condition. If your tank has visible rust or damage anywhere on it, it could be unsafe to fill it and therefore would be disqualified from receiving a refill.

RECERTIFIED TANKS

Tanks that are past their normal expiration date can be re-certified by someone who is trained to do so. If the inspector deems the tank's condition to be usable, they will put a sticker on the tank with an "E" after the manufacturing date. This "E" adds another 5 years to the life of the tank.

TALL TIMBERS PROPANE TANKS FOR PURCHASE

If you have a tank that has expired, for your convenience Tall Timbers sells new 100# and 20# tanks. We will remove your expired tank and make sure that it is properly disposed of!

Propane Costs for new 100# and 20# tanks, and the fill are:

100#	\$210 (+ tax)	Propane Fill	\$110.00
20#	\$70 (+ tax)	Propane Fill	\$22.00

PLEASE BE AWARE, IF YOU PLACE AN ORDER FOR A 100# PROPANE REFILL, AND THE TANK IS NOT EMPTY OR IF IT IS EXPIRED, THERE WILL BE A \$25.00 ADMINISTRATIVE FEE ASSESSED TO YOUR ACCOUNT. IF YOU PAY WITH A CREDIT CARD, THE 2% FEE CANNOT BE RETURNED

Expired tanks CANNOT be filled! Any tank that is older than 12 years of age (for 2022 that means tanks made before the same month of 2010) is expired and cannot be refilled.

How To Check Your Tank's Expiration

Every tank of propane has a date stamped into the collar along the top of the tank. There are some important numbers and letters here that mark:

- Serial Number
- Water Content (WC)
- Tare Weight (TW)

Manufacturing Date

The date is shown in MM-YY format, so to know if your tank is expired just subtract 12 from the second number. If your stamp is not more recent than the current month 12 years ago, your tank is **expired**.

The date is shown in MM-YY format, so to know if your tank is expired just subtract 12 from the second number. If your stamp is not more recent than the current month 12 years ago, your tank is expired.

Remember, expired tanks will NOT be filled

GENERAL INFORMATION

PLEASE DO NOT FEED THE WILDLIFE

There are bears in the campgrounds all the time. This is their home. They look for food and have been spotted climbing into our dumpsters and bringing out food garbage bags. We do our best to deter them but these bears have become accustomed to humans. If you put your food garbage in the dumpster instead of the compactor, they will drag it out and make a huge mess. Besides the aesthetics, it can become a health hazard! It also takes our Maintenance Crew away from other important jobs. **ANY KIND OF FOOD GARBAGE MUST GO INTO THE COMPACTOR!!** If the bears find food in the dumpster, they will continue to go there & make a mess of your campground. Please do your part and put your trash in the right place. **Be considerate!** Your Maintenance Department will have to pick up after the bears...and you! Help us keep your Tall Timbers clean!

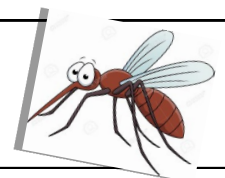

“One Call System”

When a One Call notification goes out, please listen before calling the office. Immediately calling the office defeats the purpose of the system and inundates the office with unnecessary calls.

Remember, Tall Timbers is a ‘smoke-free’ campground. No smoking is permitted on common property.

Buy a Brick Program

Tall Timbers is a special place for all of you! Many of you grew up here and are now raising your own families here. New owners are starting to create their own TT memories. What a great way to beautify your ‘home away from home’ while leaving a lasting legacy.

Each red brick measures 4x8. You can engrave up to 21 characters on each line. The brick will hold four lines. You are also able to use symbols, for example ♥,&, etc. The cost of each brick is \$50.00. Symbols cost an additional \$5.00 each. For example, if you order one brick and include a ♥ in your design, the cost would be \$55.00. You must also specify how you want your wording to appear, all capital letters, only first letter capitalized, etc.

If you are interested in purchasing a brick simply complete the form located in the office and return it to with your check for \$50.00 (plus the cost of symbol if chosen). Please make sure you note ‘brick’ on your payment. A sample of the brick can be seen at the office!

2023 - Timbers Talk Guidelines

Welcome to another season of Timbers Talk! Below are the submission deadline dates and guidelines.

1. Please send all articles, village meeting times, events around the campground, or any other noteworthy information to me at donna@talltimbers.net.
2. All submissions must be submitted by **10 am on or before the dates listed below**. If they are not, there is no guarantee they will be in that week's Timbers Talk. I will do my best to accommodate late submissions but make no guarantee. Therefore, it is important that this deadline is met. Timbers Talk is published every other week. The only exception being a holiday weekend, there may be an edition that will come out on that Friday as well.
3. All submissions are to be electronically written. No handwritten submissions will be accepted. No exceptions will be made. Information is ONLY copied and pasted so please use **Word only**.
4. The publication will be printed in greyscale/black and white.
5. All questions or concerns regarding Timbers Talk are to be directed to donna@talltimbers.net.
6. All village messages should be a maximum of ½ page. Sometimes, not all villages submit an article. When that happens, I am able to stretch that half page. I will do my best to accommodate everyone.
7. Any deviation from these guidelines will either delay your submission or prevent the submission from being included in that week's Timbers Talk.
8. Listed below are the dates the submissions are due.
